Massachusetts Department of Transitional Assistance
FOOD STAMP BENEFITS FOR YOU AND YOUR FAMILY- APPLY TODAY!
IT’S EASIER THAN YOU THINK!

HOW TO APPLY
To apply for food stamp benefits, please fill out this application and return it to us. You should mail, fax or take the application to the Department of Transitional Assistance Office that serves your city or town. If you are not sure where the office is located, please call 1-866-950-FOOD or visit our website at www.mass.gov/dta.

IMPORTANT: We must accept your application if it contains your name, address (if you have one) (page 1) and your signature (page 5). This minimal information will establish your application filing date. However, the remaining information on the form must be completed, and we must interview you to determine your eligibility. If you are eligible, your food stamp benefits will start as of the date we receive your application.

Please try to answer all the questions on the application. The more information we have, the quicker we will be able to act on your application. If you aren’t sure what a question means or how to answer it, leave it blank and we will talk about it during your interview. After we receive your application we will contact you for an interview and ask you more questions. This interview will take place either in the office where you returned your application or over the telephone. If you need an interpreter to help you complete this form or for the interview, tell us and we will arrange for one. We list the types of things you will need to provide for your application. Please look at the list and gather the proofs you will need.

YOU MAY GET FOOD STAMP BENEFITS WITHIN SEVEN DAYS IF:

1. Your income and money in the bank add up to less than your monthly housing expense; or
2. Your monthly income is less than $150 and your money in the bank is $100 or less; or
3. You are a migrant worker and your money in the bank is less than $100.

We are asking you about money in the bank to screen for expedited food stamp benefits. You will not be asked to give proof of your money in the bank. If we decide you cannot get food stamp benefits within 7 days (expedited service) and you disagree, or if you are determined eligible for expedited service but you do not receive your food stamp benefits by the seventh calendar day after the date you applied, you have a right to a conference with a supervisor. To apply for food stamp benefits, you need to prove your income, expenses and other information. You only need to prove information that applies to you. For example, if you do not have a job, then you do not need to worry about earned income in the list below.

When you get food stamp benefits, you will be given an account, like a bank account. Each month, your food stamp benefits will be put into your account. To use your food stamp benefits, you will get a Bay State Access card which you will use like an ATM or credit card. Your privacy is important and using the Bay State Access card helps maintain that privacy. You can use your Bay State Access card at grocery stores, convenience stores, markets and co-ops. You use it in the same way you would buy food with a debit/ATM or credit card.

Things you must provide, if they apply to you, to receive food stamp benefits:

1. Proof of Identity: Driver’s license, birth certificate or other proof of your identity.
2. Proof of Massachusetts Residence: Mortgage, tax, home insurance or utility bills, rent receipt or lease. Certain households may not be able to reasonably verify residency.
3. Earned Income: Pay stubs or written statement from employer showing income before taxes for the past four weeks.
4. Other Income: Most recent copy of Social Security check or copy of award letter, proof of unemployment, workers’ compensation, pension, child support or alimony.
5. Self-Employment: Most recent federal tax return (Schedule C Form) or last three months of business records.
6. Rental Income: If you get paid by someone who rents a room or apartment from you, a copy of the lease agreement or statement from your tenant showing the amount of rent paid.
7. Noncitizen: For all non-US citizens applying for food stamp benefits, alien registration card or other immigration document.

Note: Certain households with disabled members will be asked to provide information and verification of bank accounts and other assets.

Things you may provide, if they apply to you, to receive higher food stamp benefits. Food stamp rules allow you to deduct certain expenses from your countable income. If you give us proof of any of the expenses from the list below, you may be able to receive higher food stamp benefits.

1. Shelter Costs: The amount you pay for shelter can be shown by your rent receipt or lease agreement. Homeowners can verify through their mortgage statement, tax or home insurance bills.
2. Utilities: The type of utility expenses you pay can be shown by bills for oil, gas, electricity, telephone (including cellular phone), or other utility expenses such as garbage disposal, wood or coal.
3. Medical Expenses: If you or anyone in your household is age 60 or older or has a certified disability, the amount you pay for medical expenses can be shown by receipts for co-payments or premiums on health insurance, dentures, eyeglasses, hearing aid batteries, prescription medications, doctor-prescribed pain relievers, over-the-counter drugs, and transportation that you pay for to get to medical services.
4. Child Care or Adult Dependent Care Expenses: The amount you pay for dependent care expenses can be shown by a written statement from your child care provider, or a canceled check or money order paid to the child care provider.
5. Child Support Payments: If you make child support payments to someone not living with you, show proof of the legal obligation to make the payment and the amount paid.

After your interview, you will get a list of things you will need to show us. Pay stubs, utility bills and other proof must not be more than four weeks old from the day that you turn in your application.

Your Rights and Responsibilities

I understand that giving false or misleading statements or misrepresenting, hiding or withholding facts, either orally or in writing, to establish eligibility for the Food Stamp Program is fraud, an Intentional Program Violation (IPV), and is punishable by civil and criminal penalties.

I understand that the Department of Transitional Assistance (DTA) administers the Food Stamp Program. I understand that I must report to DTA any changes in my household income, assets, address, living arrangement, family size, employment or any other changes to my food stamp household that may affect our eligibility. I understand that I must report these changes to DTA in person, in writing or by phone within 10 days of the change unless I am allowed by DTA to report changes under the food stamp semiannual reporting rules.

I understand that for food stamp benefits, to receive a deduction for child care or dependent care expenses, rent or mortgage payments, utility expenses, child support paid to a non-household member, or medical expenses, I must report and provide verification to the Department. Failure to report or verify the above-listed expense(s) could mean that I will receive a lower amount of food stamp benefits each month, and will be seen as my statement that the household does not want to receive a deduction for the unreported or unverified expense(s).

I understand that by signing below, all household members between the ages of 16 and 60 are automatically work registered and enrolled in the Food Stamp Employment and Training Program (FS/E&T). The automatic FS/E&T enrollment allows household members to easily access FS/E&T services. Nonexempt household members will be notified of work requirements, have exemptions and penalties for noncompliance explained and be referred to an employment activity, if appropriate.

By signing this form, I give permission to DTA to verify and investigate the information I have given that relates to my eligibility for assistance. I give permission to DTA to get any records or data and to verify information given on this application with other agencies, including federal and state agencies, local housing authorities, out-of-state welfare departments and financial institutions. I also give permission to these agencies to give to DTA information about my household that concerns my food stamp benefits.

I understand that by signing below I also give permission to DTA to share information about me and my dependents under age 19 with the Department of Education so that my dependents are automatically certified for school breakfast and lunch programs. I also give permission to DTA to share information about me, my dependents under age 5 and anyone pregnant in my household with the Department of Public Health so that these individuals are referred to the Women, Infants and Children (WIC) Program for nutrition services.

I understand that by signing below I authorize the Department of Transitional Assistance and the Massachusetts Executive Office of Health and Human Services to share information about my eligibility for public assistance benefits with electricity distribution companies, gas distribution companies and eligible telecommunications carriers pursuant to confidentiality agreements executed by these companies for the sole purpose of certifying my eligibility for discount utility service rates. I also authorize DTA to share my information with the Department of Housing and Community Development for the purpose of enrolling me in the Heat & Eat Program.

I understand that I will receive a copy of the “Your Right to Know” brochure and the Food Stamp Program brochure, that I must read or have them read to me and that I must understand their contents and my rights and responsibilities. If I have any questions about the brochures or any of this information, I will ask my worker. I can also call Recipient Services at 1-800-445-6604 if I have trouble reading or understanding any of this information.
Food Stamp Penalty Warning

I understand that if I or any member of my food stamp household intentionally breaks any of the rules listed below, that person will be barred from the Food Stamp Program for one year after the first violation, two years after the second violation and permanently after the third violation. The person may also face criminal prosecution under applicable state and federal laws. These rules are:

- Do not give false information or hide information to get food stamp benefits.
- Do not trade or sell food stamp benefits.
- Do not alter EBT cards to get food stamp benefits you are not entitled to receive.
- Do not use food stamp benefits to buy ineligible items, such as alcoholic drinks and tobacco.
- Do not use someone else’s food stamp benefits or EBT card, unless you are an “authorized representative.”

I also understand the following penalties:

- Individuals who commit a cash program Intentional Program Violation (IPV) that is confirmed in an Administrative Disqualification Hearing (ADH), will be barred from the Food Stamp Program for the same period the individual is barred from cash assistance.
- Individuals who make a fraudulent statement or representation about their identity or place of residence to receive multiple food stamp benefits simultaneously will be barred from the Food Stamp Program for ten years.
- Individuals who trade (buy or sell) food stamp benefits for a controlled substance/illegal drug(s) will be barred from the Food Stamp Program for a period of two years for the first finding, and permanently for the second finding.
- Individuals who trade (buy or sell) food stamp benefits for firearms, ammunition or explosives will be barred from the Food Stamp Program permanently.
- Individuals who trade (buy or sell) food stamp benefits having a value of $500 or more will be barred from the Food Stamp Program permanently.
- Individuals who are fleeing to avoid prosecution, custody or confinement after conviction for a felony or are violating a condition of probation or parole are ineligible to participate in the Food Stamp Program.
- Individuals who fail to comply without good cause with Food Stamp Work Requirements will be disqualified from the Food Stamp Program for a period of three months for the first finding, six months for the second finding and twelve months for the third finding. If the individual found to have failed to comply for a third time is the head of the food stamp household, the entire household shall be ineligible to participate in the Food Stamp Program for a period of six months.

Right to an Interpreter

I understand that I have a right to an interpreter provided by DTA if no adult in my food stamp household is able to speak or understand English. I also understand that I can get an interpreter for any DTA fair hearing or bring one of my own. If I need an interpreter for a hearing, I must call the Division of Hearings at least one week before the hearing date.

**APPLICANT’S SIGNATURE:** By signing this application, I hereby certify under penalty of perjury that I have read (or have had read to me) and I understand the “Rights and Responsibilities,” and the answers in this application and/or any supplemental documents I may provide to the Department in the future are accurate and complete to the best of my knowledge. I also certify that all members of my food stamp household requesting food stamp benefits are either U.S. citizens or noncitizens in satisfactory immigration status.
